

After an hour or so of socializing, Ed showed the controversial documentary movie "The Asphalt Gospel." After the movie, several members engaged in an interesting discussion of the issues raised regarding the increasing intolerance of the Christian right. A fun evening was had by all in attendance, and we departed with good feelings about the camaraderie Prime Timers St. Louis provides those who participate.

THE PRODUCERS

Friday June 20 was a beautiful evening for a group of Prime Timers who met at the Muny grounds in Forest Park for a picnic prior to the Muny's production of Mel Brooks' award winning musical "The Producers." About 10 members participated in the picnic bringing their own basket dinners along with chips and sides to share. A

Pot Luck at Ed's

On Saturday June 7, Ed H. hosted the monthly potluck at his beautiful condo in Shrewsbury. Ed opened his home to all Prime Timers for an enjoyable evening of food and socialization. Several of us took the opportunity to meet and mingle.

Unlike our traditional potlucks where guests all provide dishes Ed provided all the food – a series of tasty and unique finger foods, that were quite filling.

special delight were chicken wings provided by Ted B. This event was coordinated by Charles K. In addition to finding a prime location for the picnic, he arranged for the event to be held on one of this year's rare nights with clear skies, pleasant temperatures and no rain. Charles came through again.
